Summer Fun!

Summer for many Mira Costa students was spent doing things they couldn't do during school. Some students had jobs and worked everyday, while others went to the beach and worked on their tans. Many utilized their time doing activities such as surfing or rollerskating. "The waves were really good this summer," commented *Richard Sundeen*, who found time in his busy schedule to surf everyday. The various volleyball tournaments and surfing competitions held throughout the summer proved to be very popular among Mira Costa students. As usual, the annual Surf Festival and Manhattan Open added excitement to the beach

community.

While some students were busy making money, others were busy spending it. They crowded the malls and restaurants of the South Bay. Others decided to travel and spend money. Many enjoyed trips to Europe and the Orient, while still others traveled to such hot spots as Hawaii, Catalina, and Mexico. Although those who traveled enjoyed their trips away from home, most found themselves very glad to arrive back home, where they could lay back on the beach and relax.

Many students had fun in Catalina this summer, including Darci Cadis, Shannon Padrick, and Megan Cadis.

Hello School!

Registration on September 3, 4, 5 and 6 made the end of summer a dreaded reality for most students. Filling out all the necessary forms at home was only the beginning. Once the students arrived on campus, he or she realized there was more paperwork to be done.

Some students were annoyed with the fact that they had to miss a day away from the beach just for registration. For other students, registration was an exciting day for classmates to reunite after three months of not seeing one another.

For Freshman Orientation, the Student Council planned an entire day of activities. "Our purpose for full day of registration and orientation was to break the fear and intimidation felt among the Freshmen!" exclaimed *John Choi*.

The Freshmen enjoyed a complementary lunch while they listened to music provided by D.J. (and student), *Pat Delgado*. At the end of the week of registration, nearly 98% of the Mustang Students were prepared, but maybe not ready, to begin school.

Many students eagerly stand in line for their 1985-86 schedules.

Upperclassmen *Dana Mitroff* and *Debbie Millar* help out in the registration process.

Annual A-Fair!

The Hometown Fair has become a tradition for the students of Mira Costa. Every year the first weekend of October, Mira Costa students enjoy and take part in the Hometown Fair. The Annual run course added a new wrinkle by not going around the pier en route to the finishline. It kicked-off the fair at 7:30 A.M. Saturday, October 5.

Students could be seen anywhere from relaxing to working hard in a booth. Nearly every club or organization

posted a fund raising booth. Two of the most popular booths were the Interact Club booth which sold pizza, and the Key Club fish toss. The food was the favorite part for many people, but the games, and Arts and Crafts provided other entertainment. *Brad Campbell* reflected, "The combination of my friends, the food, and the fun games made it a great weekend." No matter what the best was, the Hometown Fair provided a fun-filled weekend for all.

Post Game Gala!!!

Meaghan Mansfield, Carlos Villalobos, and John Bragg, have fun while working at the door.

Fridays did not come too soon for the students at Mira Costa. After game dances were one way to start off the long awaited weekend. Commissioner of Entertainment, *John Choi*, organized these dances. There was usually a good turn out. "We had some great bands and D.J.'s this year," stated one student.

The members of Student Council took turns working at the door in half hour shifts. The price was \$3.00 without an Activity Card, FREE, with.

The Post Game Gala, was a place to have fun, be with friends, and just relax from a hard week of school.

Puttin' On The Hits

... and for originality, a 29! Good scores! It all started on a Saturday night when Clint Creado and John Bragg were watching a late show of Puttin' On The Hits. They were inspired to form a group and lip sync Billy Joel's hit song "The Longest Time." After recruiting the well known Mira Costa twins, Kevin and Keith Scoggins, the group was complete.

Two weeks of practice had gone by, and it was the Friday before the weekend tryouts, which were to be held at Magic Mountain. Kevin later said, "I'll never forget staying up until 1:30 that night touching up our act, especially when we had to be up the next morning at 5:30." Their act consisted of John lip syncing Billy Joel, while the trio of Kevin, Keith, and Clint sang back up.

Dressed in their tuxedos, they set off the next morning in the pouring

rain. "The drive was long, and the weather was stormy, but the outcome made it all worth while," stated Clint Creado. After walking through the park to get to the theatre, they were only one of 48 drenched groups, nervous, but ready to perform. Keith said, "the competition was stiff, and it looked like a slim chance of us making finals." Sure enough, they were one of fifteen finalists who did.

Finals were held the next day at Magic Mountain. "It was quite an experience on Sunday, because it was open to the public, and Allen Fawcett was the host," John commented. "It was like the real show, with channel 5 filming it!"

The show lasted an hour, and when the top three winners were announced, "The Longest Time" had taken first place. It was a dream come true for these four guys.

Thank God It's Friday

When walking through the halls at Mira Costa on any given Friday afternoon, one hears the questions, "What's going on tonight?" or "What are you going to do?" One hears this because everyone is stoked when that desired weekend comes around.

The weekends serve different purposes for different students at Mira Costa. For many it is a chance to spend time

with friends or relatives and have a good time. As for trips, students go anywhere from the local ski slopes, to the sunny desert of Palm Springs. For others, however, the weekend is spent working to earn extra money, or studying to finish up last minute essays. All would agree that it is a time to relax and catch a little extra sleep in the mornings. As for Sunday night, well, at least Friday is just five days away.

Janine Notari prepares for a big horse show in San Diego.

Chris Fischetti gets radical on his jet ski during a race at Lake Havasu.

Life At Lunch

Bzzz! Whew! It's finally 12:13, which means lunch period at Mira Costa. This is a relief to a hungry stomach and a break from intensive studying.

Some students enjoy the music in the Quad and cafeteria area, while others enjoy the serenity in the classroom halls.

Lunch, however, isn't just for eating and relaxing. There are often activities at lunch such as Pep rallies, live bands, and D.J.s. It is also an opportunity for school clubs to meet, organize, and raise money. Since lunch is so short, however, it is always followed by not so popular Period 5.

Brenda Calligos, Lindsey Hahn, Jill Horning, Melissa McNally, and Megan McCallister chat while waiting for the lunch lines to get shorter.

Halloween Fun

Every year, late in October when the full moon starts to rise, Mira Costa students start to exhibit strange behavior. Parents and teachers know that Halloween is just around the corner. Along with Halloween comes the annual Halloween Dance. This year's dance took place on October 26 in Fisher Gym. "It was one of the funnest dances all year," stated Senior *John Dougher*. The DJ's *Dan Lococco* and *Robert Harris* played the student's favorite tunes and everybody boogied down.

There was a variety of costumes at this year's dance. The most popular were doctors, devils, Hawaiians, firemen, and bowlers. As always, there was a contest to see who had the best costume. Coming in first place were the *Rastafarians* and in second was *Kelly Fajack* dressed as a burn victim.

The dance began at 8:00 and lasted until 11:00. After the dance the masqueraders continued on to private parties or made plans for Halloween on the upcoming Thursday.

The DJ's put on an excellent show for the Halloween dancers.

A Day For Clubs

"Club Day encouraged people to get involved that wouldn't normally get involved in clubs," stated *Bill Winn*, ASB Vice-President. Club Day took place on September 27 and many clubs were involved. It was changed from a week, as in previous years, to one day of activities. This made it just for sign-ups and fundraising rather than games and activities. The clubs that were involved either sold food or conducted sign-ups. The following clubs took part in the activities: Girls' League, Interact, cycling club, Key club, S-club, and Thespians. The food ranged from pizza to popcorn.

Mira Costa students generally ate a lot of food and had a good time. Also, the various clubs made a lot of money and recruited many members. The focus of Club Day was mainly pointed at the Freshmen and Sophomores that didn't know about clubs or how to get in them. Club Day helped them and all of the other students find out what clubs there were and the purpose of each club. *Bill Winn*, organizer of the day's proceedings, thought that the day went really well and he believes it will remain a success in future years.

A Challenging Job

Have you ever wondered what a day in the life of a Grounds Supervisor is like? If so, read on. A Grounds Supervisor, or more commonly called "narc" has a very important job on the campus: keeping it clean, drugwise of course. Often times we overlook, or take their services for granted. A Ground Supervisor's main job is to prevent drug trafficking and use. Other duties they also perform are enforcement of school policies, detention, study hall, truancy sweeps, and keeping the campus peaceful.

This year's ground supervisors are *Phil Sandoval*, *Darrin Moore*, *Valerie Seale*, and *Pat Austin*. They are a common sight during school when they walk through the halls checking for disturbances. There is always one of them stationed in the cafeteria and in the corral area during snack and lunch to

control the occasionally unruly students. They are also occupied before and after school with administering detention. They definitely put in a long days work.

The ground supervisors also make many contributions to the school by supporting school spirit, attending school sporting events, and helping out administrators whenever their help is needed. Head Ground Supervisor *Phil Sandoval's* contributions go far beyond those expected in his job. He helps out with drill team, tall flags, and pep club. He also does all of the announcing at our home basketball and volleyball games. The people became ground supervisors because they enjoy working with and helping kids. They are a great asset to the well-being of our school.

This year's ground supervisors were Valerie Seale, Phil Sandoval, Pat Austin, and Darrin Moore.

Phil Sandoval provided excellent announcing for all home basketball games with a frequent barrage of facts and updates.

“Juvie”

High school years can be rough and unstable for some teenagers. The Mira Costa Drama Department expanded on the problems that teens have in the fall play JUVIE. The play focuses on several troubled young people who are in a juvenile detention hall. Throughout the play, each inmate tells his or her story on how he got there. The problems these teenagers have range from drugs to arson, runaway to murder.

The fear of every actor and actress is that of forgetting his lines before the play even opens. *John Bragg* plays a man who has a nightmare in which he forgets his part and lines in the play he stars in. Throughout the play, George Spelvin (*John Bragg*) ad-libs his way through the nightmare, making the dream play a success.

Take It To The Capitol

Every year one boy and one girl from Mira Costa are selected by the faculty to represent our school at the girls/boys state convention in Sacramento. The students are chosen on the basis of academic achievement, outstanding leadership abilities, and community service. This year's represen-

tatives were *Tecia Barton* and *Drew Cukor*. They, along with hundreds of other students from all over California spent a week learning all about how our government works. *Tecia* says that "It was a valuable and learning experience," and *Drew* stated that it was a very positive experience for him.

Getting Involved

This year *Brad Campbell* and *Tecia Barton* went to Washington D.C. to attend a Congressional Leaders Conference for student council members. The trip was in November and it lasted for a week. Together they learned about how our national government works. They talked with many Con-

gressmen and Senators, sat in on a Congressional session, talked to Supreme Court Justices, and did some historical sight-seeing. Brad was even able to visit the library of congress. Together they represented Mira Costa in an outstanding way.

Styling

Calvin Klein, Guess, Quicksilver, Sergio Valente, C.O.D., or Levis? Many students chose between these brand names of clothes when they went shopping. The big question was, 'What will I wear?'

Every year at Mira Costa, new fads and trends develop in the way students look and dress. This year was not tremendously different from last year but everyone had new clothes and a new look.

The major trends this year came in Girls' clothes. The tight jeans and big shirt look was in. Often girls had the 'sweat-shirt around the waist' look. Also, the girls this year wore some flashy footwear. The Indian or studded boots were popular. In terms of hairstyles, girls wore their hair all differ-

ent. A lot of them though wore short hair with pronounced bangs.

For guys it was the casual look. Instead of wearing 'flashy' clothes, the guys of Mira Costa went back to functional clothes. Most guys were into the beach look. The names that were hot for guy's clothes were Quicksilver, Billabong, and Gotcha. An exception to this dress style was offered by many Freshmen and Sophomores. Some of them were into the dance wear. For guy's hairstyles it was basically short with Mousse as a daily additive.

Overall, everyone dressed their own way and had a good time doing it.

Many students witnessed the arrival of the 'Rambo' look to Mira Costa's campus.

Blue Jeans and K-Swiss tennis shoes were part of many student's clothes inventory.

Co-Achievers

The honor of Student of the Year is the highest award that may be bestowed on a student. The acknowledgement is especially meaningful because the recipient is chosen by faculty members and peers alike. The nine nominees for 1986 student of the year were *Tecia Barton, Brad Campbell, Andy Dellenbach, Bobbie Fujihara, Heather Marshall, Melissa McNally, Molly Roe, Bill Winn, and John Dougher*. The 1985-86 students of the year are both *Tecia Barton* and *Brad Campbell*.

Throughout *Tecia's* four years at Mira Costa she has been involved in student government. She was elected sophomore class president and awarded the 1984 Outstanding Service in Leadership Award. She was also the Student Representative to the South Bay Union High School District and on the Superintendent Advisory 1985 Committee. In 1985 *Tecia* was awarded Outstanding Youth Citizen by the city of Manhattan Beach.

Brad, too, has been involved in student government throughout his four years. *Brad* was ASB President, Jr. class President and Freshman Vice-President. *Brad* is a Mira Costa representative at the Rotary, Kiwanis and other coordinating councils. *Brad* is also an outstanding achiever in academics, having achieved the status of CSF Sealbearer.

Ever since Center Jr. High, *Tecia* and *Brad* have been competing with each other. Their student government careers at Mira Costa were similar too. Both *Tecia* and *Brad* attended the Congressional Youth Conference in Washington D.C. Both were members of Physiology and Service Clubs (Key Club and "S" Club). *Tecia* was a participant in J.V. volleyball and varsity soccer while *Brad* was a member of the J.V. cross country team and varsity tennis team. Finally both *Tecia* and *Brad* were members of the WASC Student Accreditation Team. *Tecia* and *Brad* have been competing for many years, but this time, instead of one or the other losing, they both WON!

“Mustangs Of All Ages”

Following a great week of festivities, the magical moment had arrived. At the half time of an intense football game, against Royal High School, all ears focused on the announcer as the lights dimmed. He introduced the Homecoming court as they were driven to the front of the field in 1957 T-BIRDS. The announcer stated all of the involvement in school by each girl, from over the past four years. The procession started off with returning queens, *Holly Henderson* (84), and *Nicole Abinatti* (83). Followed by the court; *Molly Roe*, *Mellisa McNally*, *Tecia Barton*, *Jill Konduros*, *Bobbie Fujihara*, *Kristin Heob*, and *Kim Day*. After they all took their places on the field, we all enjoyed a spectacular fire work show. Suddenly from nowhere the name of the

queen lit up in the sky, *Kim Day* was our 1985 homecoming queen.

The week was full of exciting events. There was a water balloon toss, a licorice eating contest, and a different costume for each day of the week. The homecoming was more than a tradition, it was a new generation for Mira Costa. This is the first year that there weren't any more Aviation High students. Only their great spirits.

Following the game there was a beautiful dance decorated by the Interact Club. "I'm glad it was a success. Wendy Hagino did a super job." stated *Meaghan Mansfield*.

The court and their escorts: *Molly Roe* and *Bill Winn*, *Melissa McNally* and *Chris Wells*, Queen *Kim Day* and *Joel Messenger*, *Jill Konduros* and *Richard Sundeen*, *Kristin Hoeb* and *Jake Pew*, *Bobbie Fujihara* and *Andy Dellenbach*, *Tecia Barton* and *John Vidal*.

"A Game Of Revenge"

"We must have it again next year!" was exclaimed by *Denise Parker* last year at the conclusion of the Donkey Basketball game.

The wild fundraiser took place again the Fisher Gymnasium. The MC Circle promoted and sponsored the high energy activity. Like last year Donkey Unlimited provided 12 tamed donkeys.

The atmosphere in the gym was equal to that of last year. The students and teachers were competing against each other both in making baskets and making fools of each other. Although the student team had a completely new field of donkey goers, the game strategy for them was "revenge". Last year as everyone recalled the teachers were victorious over the students by one lousy point.

This year the competitiveness was felt throughout both teams. The teacher team with the additions of *Mr. Ruderman*, *Mrs. Nelson*, *Mr. Fredricks* to last years teachers and administrators: *Mrs. Fredricks*, *Mr. Hartzell*, *Mr. Britton*, *Mr. Brigham*, and *Miss Parker*, could not hold their Championship Title.

The student team consisted of fine Athletes and animal lovers: *Meghan Mansfield*, *Clint Creado*, *Barbara Rickerd*, *Lori Porter*, *Paul Davis*, *Kathy Johnson*, *Eu Nah Kim* and *Caroline Miller*.

Under the coaching of *John Bragg* and *Wendy Hagino* the task of "revenge" was a success.

“Elegance”

After the several hours of preparation, decoration, and frustration, the Mira Costa Girls' League changed the Fisher Gymnasium to the "Elegance Ball Room". The black hefty bag ceiling look liked a flowing black starlight sky, adding romance to the holiday Christmas Dance.

The gymnasium atmosphere was completely camouflaged by the star wallpaper, the lavishing ceiling, and the silver streaming doors. "We wanted this years Christmas dance to be more than just the Winter Formal dance in the gym" stated Kristin Heob. By making the atmosphere a New York skyline atmosphere, excitement and romance was created.

Many people forgot they were in the gym, until they walked outside and down the ramp.

The excitement created by the interior of the gym itself made the honor of being on court a greater deal for the court members. "Seeing a different aspect of the gym-a ballroom delight, going through all the practice walks and rehearsals, being on court was a lifetime experience!" exclaimed *Stacy Ludwig*. Furthermore, *Melissa McNally* and *John Davis*, being crowned as this year's king and queen, added more excitement to the night of pure "ELEGANCE".

Michelle Rossler, Renee Matuzik, and Karen Allds foreshadow their hopes to be on the Christmas Court in the next year or two to come.

The decision to go places after the dance becomes a great dilemma between *Amy Robuski* and *Nicole Grimes*.

Giving A Helping Hand

The annual event of Operation Happiness made all time history this winter at Mira Costa. Operation Happiness is the event of the year when 85% of the entire Student Body volunteers some of their time to go out to the community and neighborhood collecting cans, packages, and all types of food items. Individual clubs and classrooms set aside more time for the addition of adopted families.

Doctor Sanford, dedicated 150% of his time and effort to this event once again. He had his classes soar to top of the rest of the school. He asked each of his students, in all five of his classes to collect at least 100 cans each. Other teachers encouraged students to take part in the event by offering

extra points or dropping a test score.

The service clubs spent extra hours during the two-week can drive distributing boxes, loading cans into the trucks, publicizing the worthwhile event to the local community. The Girls' League spent twelve hours in the gym preparing for the Operation Happiness Ball that closed the event. Each couple had to pay \$15.00 plus eight cans. All the cans went directly to the Salvation Army.

Overall Mira Costa Students brought Happiness and Prosperity to many needy families during the Christmas Season.

World Review

The years 1985-1986 saw a great number of events. These events, both big and small, affected the nation greatly. Although this year was very important, it was just another year in American history. Mira Costa students kept in touch with the events and saw the world changing.

One important happening this year was the meeting of President *Reagan* with Soviet leader *Gorbachev* in Geneva. Although the talks did not solve any of the problems between the countries, it showed people of the world that at least the two nations could still have peaceful relations. The Soviets primarily feared *Reagan's* Star Wars Program (SDI), while the United States tried to regain an edge in nuclear affairs. Also, the United States saw much space activity. The space shuttle logged many space hours and launched satellites, while *Voyager* took pictures of *Uranus*.

The music industry also made important advances this year. *Band-Aid*, *USA for Africa*, and *United Artists Against*

Apartheid were three groups who used music to solve world problems. World scale concerts such as *Live-Aid* and *Farm-Aid* were also held to benefit the less fortunate.

On a domestic level, Mira Costa students as well as the rest of America saw many incidents. They saw the return of *Halley's* comet. Also, in sports the nation watched the *Chicago Bears* pounce the *New England Patriots* 46-10 in the Superbowl. In addition, *Tom Curren* and *Mark Occhilupo* dominated the ASP surfing tour this year.

To bring a sad note to the world's happenings, there were a few sad deaths this year. People of the world saw the tragic death of singer *Rick Nelson* and actor *Rock Hudson*. *Rock* died of the deadly AIDS disease which has spread fear across America. Lastly, people of the world had to witness the politically insane actions of Lieutenant *Kadafi* which could lead Libya to war with the United States.

Ronald Reagan, in a press conference, talks about the recent Summit talks in Geneva.

The Chicago Bears and their G.E. appliance, *William Perry*, showed that they had what it takes to be Superbowl Champs.

Martin Luther King's birthday was declared a national holiday this year. It was widely celebrated, especially by children.

A Syncing Success

The winter lip sync contest was a very popular event at Mira Costa. It was organized by Commissioner of Campus Morale *John Bragg*, who spent many hours to make it a great success. There were 16 overall entries, and 7 groups made it to the finals, which were held during an extended lunch. The judges for the finals were all faculty members. They were *Dr. Marshall, Ms. Fredricks, Ms. Galvin, Mr. Ruderman, Mr. Lang, Mr. Klein, and Ms. Klein*. There was a DJ who played all of the songs, and the grand prize was \$100.

The top performances were by *The Village People* who placed third, *Omar Moreno as Paul Young* who placed second, and *Aretha Franklin* who placed first. The other four groups that made it to the finals were *Dire Straits, Vanity, Motley Crue, and Cindy Lauper*.

The quad was packed with students eager to see the contest.

The sophomore football team enjoyed another successful season this year. They came in second in the Bay League and finished 7-3 overall. This team has worked well together for the past two years and is expected to make a large contribution at the varsity level in coming years.

Hard Work Pays Off

The freshmen football team has gotten off to a good start towards their future as Mustang football players. With a coaching staff led by six year head coach Richard Egan, the players were provided with an excellent learning environment. Through hard work and determination, this team should fare well in the years to come.

Evaluate By Effort

The varsity football team had a rebuilding year this season. They finished with a disappointing 1-8-1 record with their only win and tie in non-league play. The team lacked numbers to compete in the tough Bay league, averaging about 25 players suiting up for a game. Several times during the season, the team didn't even have enough players to have a full scrimmage during practice. Nonetheless, the team did play in many close games.

The standout players were *Dan Donnelly* at linebacker, *Gerry Zwierlein* on the offensive line, and *Jim Regan* at safety and in the offensive backfield.

Hopefully, the Mustangs have benefitted from this season and will be strong next fall when they return to the Ocean league after a four year absence.

Running Towards The Future

The lower levels of this year's boys cross country provided a good foundation for the team. There were many uprising stars that will help contribute to next years top seven varsity. The 1985-86 Mira Costa Junior Varsity was a very strong organization with the pack leaders such as, *Joe Doerr, Kurt Hohman, Phil Anderson, and John Straight.*

The sophomore team also ran an excellent year. Finishing third before going into league finals, as well as maintaining a 4-2 record were some of this year's accomplishments. They ran against very tough teams, Palos Verdes, Redondo, and Santa Monica, but still managed to come out on top. The star runners included in this team, *Jeff Fulton, Scott Bonowski, Steve Fulton, Richie Schnare, and Billy Harvey,* helped make up a winning team. These star-lights will be our hopefuls for next years varsity team.

The 1985-86 freshman team had some leaders also. *Phil Covert, Jay Hobson, Brian Cattivera, and Dan Tarango* will be the ones to watch for future wins. The freshman boys also had a winning season. They finished second overall and kept a 4-1 record.

This year's varsity team was a young one, but they fared out well. They began training in the summer and kept up their rigorous workouts up until League Finals. Boys varsity led by *Jason Swanson*, *Kevin Baker*, and *Billy Harvey* finished sixth in League Finals. The girls varsity led by *Adriene Ling*, *Eunah Kim*, and *Carline Plier* also displayed excellent performances. These girls not only ran well but also gave the team spirit, with *Kendis Moffett* receiving the 'Meg Warner' award. The girls finished fourth in League Finals.

Both these teams are expected to do very well next year. With many of the strong runners returning, Mira Costa can only expect to be a strong contender in next years fight for number one.

A Building Year

For the Junior Varsity girls it was a rebuilding year. Many of the strong varsity leaders graduated last year and their spaces needed to be filled. Even though the girls came through a tough, competitive year, Mr. Holland is hopeful that they will get 2nd at League Finals. Standouts include *Julie Sanders*, *Debbie Mc Arthur*, and *Chris Miller*. *Julie Sanders* led the J.V. girls and ran a very successful year. *Chris* and *Debbie* also helped to make a scoring team. As the season came to a close, *Julie Sanders* realized, "I had a great time! This year the team was supportive 'til the end!"

With the excellent coaching of *Dave Holland*, *Terry Fredricks*, and *Mike Miller* the girls were able to construct a winning team. These tough men started training the runners in the summer and began rigorous workouts in September. This year *Mr. Holland* set up a 50-mile per week plan which proved successful. Thanks to some fine coaching this year's X-Country team did very well.

State Champs!

Once again Mira Costa's girls varsity volleyball team has come out on top. The team not only had an outstanding year, but an undefeated one. After having an unparalleled CIF season, the Mustangs went on to destroy their opponents in the state championships. *Volleyball Monthly* ranked the Mustangs number one in the nation.

Since the team had such an excellent record, many people felt that the 85-86 team might have been the best ever. The players feel that their secret was that they have been playing together as a team forever. The starting lineup of setters *Lindsey Hahn* and *Holly McPeak* and hitters, *Jill Horning*, *Melissa McNally*, *Lisa Arce* and *Megan McCalister* proved to be an unstoppable team.

The junior varsity also had an outstanding year. With a winning streak throughout league competition, many of the J.V. players are hoping for varsity spots next year. *Vanessa Salem* went on to say that "the team had no real starting lineup because everyone was equal". *Vanessa* also said that it was not bad to be in the varsity shadow because it was fun "to support them in their winning streak."

Hard Work Pays Off

Concentration and hard work were the keys to this year's successful varsity water polo team. Through the expertise coaching of *Mike Nollan* the team finished first this season in the highly competitive Bay League. The team this year was composed of seven Seniors, six Juniors, and one Sophomore. They accomplished this difficult task by combining tough defense and unstoppable offense. It was a team effort which is surely to be admired. Coach *Mike Nollan* commented on this season's success by saying, "When we play as a team the result is usually a good one, therefore teamwork is the key to our success." Another positive note is that the entire team was able to play and that each member contributed in his own way. "This year's team gained many advantages and learned many things from their experiences." The team also suffered a great setback with the loss of Senior player *Mark Sing* who suffered a disabling injury during the summer which prevented him from play. Therefore this year's victories have been dedicated to *Mark Sing*, with the team members pulling for his recovery.

Fresh With Enthusiasm

This year's girls varsity soccer team coached by *Bobby Hedges*, was a very young one indeed. With only 7 seniors- *Barton, Brown, Ward, Thomas, Mobley, Losson, and Griffin*, the girls knew that they had to train hard to be competitive in the tough Bay League.

The varsity team was led by *Bryant, Karpowich, and Barton*. Many goals were saved by *Siegel*. This year was a rebuilding year, with many new players. The players, however, were improving towards the end of the season, with a 2-1 win over Redondo. *Coach Hedges* said "Next year should be a great one!"

As for the junior varsity, the new coach, *Dorri Buck*, had a well motivated team. The JV team was led by *Compton, Golob and Miller*. The team played well together, and they showed the depth needed to be successful. With the talent on this JV team, *Mira Costa* will be a power to reckon with in the future.

Setting A Goal

The boys varsity soccer team got off to a wonderful start. They were ranked tenth in CIF going into league. The team had great pre-season play, as well as a tough Las Vegas tournament in which *John Dougher* was named the MVP.

The team was physically divided between junior and seniors, except one sophomore, *Sean Leib*. At the beginning of league play, the Mustangs had a rough time. With high hopes, *Frank Stepzeck* explained "We have an excellent team and we will make CIF."

The excellence Frank speaks of derives from outstanding players. The fullback line consists of *Frank Stepczyk*, *Sean Leib* and *Tom Parslin*, *Mike Longacre*, *Corey Nies*, and *John Beacham*, as goalie. The junior varsity team is having an excellent season as well. The power of this years team proves that M.C. will have a very tough varsity team next year.

Building For The Future

The girls tennis team, coached by *Jim Wenger*, has improved over last year, winning two non-league matches early in the season. Their record proves their tough Bay League schedule, including top Palos Verdes and Rolling Hills. Inexperience was an obstacle for 1985, but with most of the team returning next year, the outlook for a better season is favorable.

Varsity was led by the number one doubles team, *Justine McAlpine* and *Linda Newcomb*. Senior *Laura La Joie* also played a dominant role as the number one singles player. *Kim Day*, the only other returning senior, inspired her teammates as the team captain. In addition Sophomore *Kristen Eastom* added needed depth to the varsity team.

The whole squad's outlook was positive, and *Justine McAlpine* summed it up, "Even if we don't have a winning record, we still have a lot of fun out here."

A Competitive Spirit

The boys varsity basketball team was a competitive, young, rebuilding team. There was only one returning varsity player in senior *Scott Forsyth*. Another leading senior was point guard *Lance Honea*. Seniors *Tim Kelly* and *Randy Pierce* improved dramatically as the season progressed. *Andy Steinberg* continued to show excellent maturity and all around hustle. The leading underclassmen were juniors *Rob Peirce* and *Tony Urban* and sophomore *Jeremy Sterling*. *Dan Bindman* unfortunately suffered a mid-season injury and played an important role as a reserve. Coach *Jim Nielson* felt that "this year's team made a slow but steady improvement from week to week. *Tony Urban* summarized the season by saying "We had a lot of trouble in the early part of the season, but once we come together, there's no stopping us."

Stronger Everyday

Growing stronger and more competitive are the key terms in describing this year's J.V. team. Coached by *Mr. Moreno*, the team improved more and more everyday. Key players to watch out for next year's varsity are *Scotti, Brown, Lucero, Herman, and Ellis*. *Chris Brown* displayed excellent ball handling and was a great asset to the team. *Lucero* and *Scotti* also helped to make the J.V. team a winning one. Although this was a rebuilding year, the team proved itself successful especially with their major victory against Redondo. Coach Moreno concluded "The players have improved dramatically and exhibited a tremendous amount of hard work and self discipline. Because of youth and inexperience we have struggled in the beginning of the season. But we have now found a winning combination and look forward to a successful league competition."

Teamwork Brings Success

Togetherness is an important asset for a basketball team to have. This year's sophomore team have been playing together for two years now and it shows. Coached by *Tony McDermott*, the team works well together, although the team suffered a loss of players due to sickness and injury. *Coach McDermott* said "When we had all of our players we were tough. I'm certain at least 6 guys will be on varsity next year." Leading the game were starters *Charlie Griswald*, *Mike Mueller*, *Eric Strausser*, *Kevin Hoose*, and *Kevin Scoggins*. The team mixed good defense, teamwork desire to win and a natural love of the game to become a skillful team with potential to make up next year's J.V. and varsity.

Shooting To Victory

The Freshman Basketball team this season is under the coaching of *Avery Bryant*. *Coach Bryant* placed a great deal of emphasis this season upon teamwork and ball handling. *Coach Bryant's* expertise has clearly brought the team to a higher level of playing which has shown in the teams successes against West, Rolling Hills, and both games with South. Some of the teams more outstanding players this year include *Ryan Campbell*, *Craig Adamoli*, *Sean Herbkersman*, *Lance Holmes*, and *Jason Stimpfig*.

Harold Lundgren prepares for another win while in the starting position.

Shooting For The Future

The 1985-86 girls varsity basketball team got off to a slow start this season. Under the coaching of *Silvia Holly*, the team had a rather slow preseason. They were, however, optimistic as the season went on. Coach *Holly* said, "The team's only problem was a lack of cohesiveness." *Rocky Landreth* was a standout on the team and acted as team leader. *Sandra Marbut* lead the team in scoring.

Coach *Holly* is very optimistic about next season. All players will be returning next season, with the exception of senior *Amber Huntley*. The team will be entering a new league next year and with the aquisition of several Junior Varsity players, next season should be a successful one.

BACK: Coach *Silvia Holly*, *Roxanne Landreth*, *Heather Allen*, *Wendy Johnson*, *Donna Reugsegger*. FRONT: *Nanette Hilton*, *Sandra Marbut*, *Colleen Magera*, *Stacy Wannamaker*, *Dee Toombs*. MISSING: *Amber Huntley*.

Hoopsters Shoot For Success

The 1985-86 Junior Varsity Girl's basketball team spent most of the year preparing the players for next year's varsity team. With many tough opponents, the girls put out all their effort for a successful season. Teamwork was the key to their playing ability and it was most evident on the court. Many players will be returning next season and most will be advancing to the varsity level.

A Sturdy Foundation

With many returning swimmers and a great deal of new talent, this year's frosh/soph swim team seems to have a good chance at being victorious against their opponents. Some of the team's stronger swimmers are *Jennifer Jackson, Jennifer Weems, Sarah Daniel, Todd Douglas, Jason Coltrin, Curt Lane, Chris Dowling, and Steve Zeman*. These swimmers will help provide a sturdy foundation for the other inexperienced and slower members of the team.

Plunging Ahead

This year's varsity swimming team should prove to be Mira Costa's most successful yet. With more than twenty returning swimmers and water polo players the team's potential is awesome. Coaching the swimming team this year are *Mike Maurry* and *Mike Nollan* both of whom have many years of coaching experience. Some of this year's more talented swimmers are *Darci Cadis*, *Megan Cadis*, *Jocelyn Coltrin*, *Michelle Dondero*, *Tom Lundhal*, *Craig Douglas*, *Jim Smith*, *Mike Hanley*, *Peter Daniel*, *Mark McCracken*, *Jason Brown*, *Dustin Salem*, and *Kevin Cox*.

Future Stars

The 1985-86 Junior Varsity volleyball team has been off to a fabulous start. Consisting of excellent varsity prospects, the team is very likely to win their division. To some this may seem a strong statement, but if this year's team is as good as in the past, it will come true.

With impressive players such as *Tom Perslin*, setter, *John Grant*, outside hitter, and *Cody Cowell*, middle blocker, next year's future looks bright. Also on this year's schedule is a frosh-soph. team. After doing away with the "varsity reserve" squad, there is more room for building good players. This team also adds to the future varsity players.

Spikers Do It Again

With five returning varsity players the mustang squad looks promising. Many think this year's team will follow in the footsteps of the 1984 varsity team and dominate their division. "It all depends on our mental toughness", *Peter Gentry* explained. The mustangs were ranked sixth in C.I.F. pre-season. "We are extremely strong if we can just pull together," stated captain, *Ed Church*.

After many years of playing together the team has developed the skill needed to go all the way. The starting lineup consists of many outstanding players. The starting setters are seniors, *Andy Dellenbach* and *Alex Bacon*. While the rest of the team is made up of *Bill Ortigieson*, *Eddie Church*, *Cory Nies*, and *Eric Fonoimoana*. With *Mike Cook* as coach the team will have to try hard to not become winners.

Captain, *Ed Church*, displays an enormous amount of effort while digging the ball.

Batting For The Future

This year's Frosh/Soph baseball team was full of hope. In preparing for next year's Junior Varsity team, the players faced a tough schedule. Teams like P.V. and West were tough opponents.

Second year coach *Tom Peña*, a Mira Costa alumni, carried the team to many victories. *Pena* graduated from Costa in 1982 and is an experienced coach and player. It was his expertise that lead the team.

Some star players this year were *Chris Paradissis*, *Greg Shankle*, *Sandy Sarconi*, and *Scott Sullivan*.

Girls Have A Ball

This year's Mira Costa Varsity Softball team, coached by *Judy Jakemer* hit their way up to an excellent year. The team was successful in their sportsmanship, individual playing ability, their contributions to the total team effort, and their sincere commitment to the sport itself.

Strengths in the team include a strong infield including *Judy Webb* and *Caryn Zotti*. *Jennifer Grover* and *Francine Carter* provide the speed on the field. Excellent pitching abilities by *Julie Innerasky* and *Sandra Marbut*. Strong hitters include *Wendy Roberts* and *Dee Toombs*.

The Jr. Varsity team was a young one but very sound. The team had enthusiasm, excellent sportsmanship and competitive skills. These fine qualities are partly due to the excellent coaching by *Pierre Lawzan*. Star pitcher *Cindi Mixon* committed by saying, "He's great! and he knows a lot." Star players to watch for next year include *Cindy Mixon*, *Carolyn Moeschler*, *Sandra Choe* and *Janet Hubbel*.

Distance Excels

This year's track team was a competitive one, especially for distance. The distance events include the 2-mile, 1-mile and the 880. To run these races one needs both endurance and speed. The Mira Costa distance team had both. *Coach Holland* once again gave rigorous workouts, fine coaching, and helpful advice to make the team a winning one. Coach Holland commented by saying "I'm pleased with this year's progress and I enjoy coaching them."

Phil Anderson, Tony Hill and Joe Cattivera lead the 880 and *Kevin Baker, Scott Sandus and Peter Titikan* lead the 1-mile to victory. *Jason Swanson and Mike Dandurand* conquered the rigorous 2-mile.

The girls also ran exceptionally. *Adriene Ling, Caroline Plier* and *Amy Melman* lead the mile, while *Kendis Moffett* and *Euh Ah Kim* numbered one and two in the 880. *Carolyn Miller* and *Andrea Dean* also showed excellent running abilities in their two-mile races. Overall the distance team ran well and with the continual progress next year's team will be great!

The Foundation

English is taught at M.C. as being both a form of communication and an art. In four years students are exposed to mythology, grammar, sentence structure, English, American and Modern Literature. The instructors in the English department work to produce individuals functionally literate in today's society. They concentrate their faculties to produce students who can express themselves in speech as well as writing. "The department is enhanced by the expertise of the teachers and their willingness to experience with new ideas and strategies," states department chairman *Jerry Klein*. Truly the expertise and professionalism of the English staff has taught successfully many Mustangs the art of reading, writing, speaking and listening.

WHAT??? That is the reaction of a lot of students when first introduced to a new mathematical concept. Of course, the problem above is totally ridiculous and would never be given by a Mira Costa teacher to make your life miserable. Rather, these teachers are dedicated to helping you understand these concepts and enable you to use them later in life.

Mira Costa offers different levels of math for every type of student. General math, geometry, algebra, trigonometry, and calculus are discussed and worked out every day. Everyone has their preferences, however, including *Mr. Temmins*, who likes geometry because "it stresses logical reasoning more so than other math subjects."

The teachers have a great enthusiasm for the students of Costa. *Mrs. Stone* believes that "the students can achieve any goals they desire." One such student of *Mr. Smith's* (who, incidentally, just spent his 31st year in Room 38) just reached a great goal this year: Principal *Gary Hartzell*.

The Social Studies department at M.C. tries to instill in its students the concept that history must be applied to the world of today. Understanding the past will help us plan for the future. Fringe Benefits

Foreign language is a subject taken by many students not just to fulfill the school's requirements, but also their own requirements for the future. Many like to take French or Spanish at Mira Costa and later use the knowledge for traveling, their job, or just for the satisfaction of knowing a second language.

French and Spanish here are not just verb conjugations and vocabulary. Students engage in oral discussions and learn about the country's culture. They also have many fun activities related to the language. In October, over 200 Spanish students went to the Mayan exhibit at the Natural Museum of History. Many classes go to a French or Mexican restaurant for lunch as an extra treat. There are many fringe benefits to be had from just fulfilling a language requirement.

Seeds Of Life

Microscopes, ripple tanks, stroboscopes, beakers, slides, scalpels, frogs, cats. All these are the tools of the science student. At Mira Costa, they can take biology, physiology, physics, oceanography, AP biology, science survey, and chemistry. Many plan to have a career in the sciences and like to take as many related courses as possible. Not only are they getting a head start in their careers, but if they also pass the Advanced Placement biology test with a 3, 4, or 5, they may be able to skip a biology course in college.

The science faculty ably prepares their students for college and life. Mr. Brissey compares teaching to "the planting of seeds. Seeds for the future. Ideas, concepts and ideals are presented day after day like the watering and the warmth of the sun proding life into seeds."

Future Leaders

Leadership is a talent that must be fostered through practice and implementation. The primary goal of the Marine Junior Reserve Officer Training Corps is to teach leadership through these methods. From teaching a class on the necessity of capitalism to leading a platoon in drill, the MCJROTC truly builds effective leaders.

Preparing to hit the beaches, the cadets in the MCJROTC experience first hand what it is like to ride in a 60 ton Amphibious personnel carrier.

This year the ranking cadet officers were *Major Mark Eyre, Captain Drew Cukor, Captain John Parades, Captain Jeff Allen and 2nd Lt. Kevin Averill*. Through their examples of leadership in Action they taught Junior cadets military discipline and Marine Corps heritage. Their example proved a motivating and inspirational uplift to all the cadets.

This year the MCJROTC went to Quantico Va. There cadets learned what it takes to be a Marine Officer and how the defense department works.

The MCJROTC is looking for a few good cadets. If anyone is interested contact Lt. Col. Shuman or MGySgt. Roth. They teach leadership fitness and integrity and guarantee to turn you into a productive and active citizen.

Fun And Fitness

Physical education is a subject that is enjoyed by many people here at Mira Costa. It leaves at least one period a day in which a student can take a break from his/her studies and just relax while playing sports with friends. All sophomore and upperclassmen sports are co-ed and they also have the option of choosing what sports to play from those offered. These include: tennis, volleyball, soccer, aerobics, softball, swimming, basketball, track, and weight training.

The P.E. staff, headed by *Ms. Alexander* for girls and *Mr. Egan* for boys, is dedicated to getting the student body in shape. *Ms. Aldrich* enjoys teaching physical education (especially volleyball) because "The students and parents are fully aware of the need of physical activity to enhance a healthy body for life."

Special Education

"The main emphasis in Special Education is to assist students with academic problems to meet graduation requirements," states Department Chairman *Ben Biesel*. With over 100 students working on individual programs the department works on producing students who can work and live productively in the community. In one program the state pays the employer to hire the student. The student receives payment for his work and at the same time is placed in a good job where his experience and ability will make him a more productive student. Special Ed. is indeed an excellent program for those with learning disabilities.

A Head Start

The business department gives Mira Costa students a head start in beginning their careers. They can learn how to type, take shorthand, use computers, and learn about accounting, sales management, and bookkeeping. All these skills are vital to someone entering the job market for they are needed in all aspects of the business world. Any one of them looks very good on someone's resume. *Gerry Zwierlein* says his accounting courses not only helped him envision a career in accounting, but it also "taught me some fundamentals of daily life such as balancing a checkbook, budgeting, and bookkeeping."

Principal Gary Hatzell discusses the political efficacy of Mustangs with renowned government teacher Mr. Douthwright.

A New Beginning

Since the beginnings of Mira Costa in the early 1950's Mustangs have been fortunate to have an excellent Administrative staff to support and motivate them. These early Mustangs not only achieved in life but brought a name and an image to future students of Mira Costa.

As in the past Mira Costa has once again been fortuitous in gaining two new administrators, principal *Gary Hartzell* and Vice Principal *Gerald Striff*. Through their efforts this year Mira Costa has seen many changes. Ranging from a revitalization program that included rebuilding many physical facilities to a student of the month program that recognized excellent students.

Quite possibly this year could turn out to be a bellwether or sorts. With the new leadership of *Gary Hartzell* and *Gerald Striff* along with *Linda Frederick*, *James Muehl*, and *Joan Risse*, Mira Costa can only attain excellence in years to come.

This year is indeed a new beginning and Mustangs of the past and future generations will always remember it.

Guiding Students Toward The Future

The counselors of Mira Costa not only place students in the proper classes and make sure that they have enough credits to graduate, but they also help students beyond high school. As *Karin Anderson* commented, "they helped me to plan my future and make the best possible career choice." Students go to them for advice on work experience, colleges, which courses to take, and to obtain letters of recommendation.

The counseling staff, headed by *Joan Risse*, also an administrator, had only one major change from last year. *Mrs. Gorey* replaced *Mrs. Reed* while she is on sabbatical leave. Otherwise, things were pretty much the same as counselors had to work hard at talking to scores of students, teachers, and parents, trying to satisfy everyone. *Mr. Brigham* commented how everyone wants to, and needs to, be treated individually, yet the counselors have to think about the whole school. He says, "If we tried to please everybody, we would not be able to please anybody. Hey, maybe we don't anyway. But we try. We really do."

Dr. Marshall looks for scholarship information for a student.

"What do you mean I can't see your grades?" asks *Mr. Donlou*, "it's still a C!"

Feeding Our School

The dedicated food operations staff continued to feed the Mira Costa student body this year. Before first period, they are serving cinnamon rolls, bagels, hot chocolate, egg muffins, and other breakfast goodies. At snack, there is a wider variety, Potato chips, sodas, pretzels, and sandwiches are included. By the time lunch comes around, the hungry student body is clamoring in line for delicious fries, not to mention pizzas, burritos, tacos, and the ever popular salad.

The staff, under the direction of *Nell Osbourne*, works hard and long to create these delicious, nutritional meals. But they are sorely underappreciated. So the next time you bite into a corndog, realize the effort that went into refueling your body.

Experiencing Life Abroad

It was July 29, 1985 and there were 36 Mira Costa students excited and anxious. This year's travellers along with *Mr. Meuhl* and *Mr. Fredricks* fled the United States and headed for Heidelberg, Germany. Following a long flight, the group, filled with enthusiasm eagerly began their trip. This year's itinerary went from Heidelberg to Munich to Wolfenscheisen, Switzerland. Followed by Florence, Rome and Rapallo, Italy. Then to Nice, Lyon and Paris, France and their final destination, London, England.

The group visited many museums and historical sites. These

ranged from Dachau, one of Germany's concentration camps to Michelangelos statue of David in Italy. The overall favorite city was Munich. They enjoyed the atmosphere and the people. As *Jenny Brandes* said, "The weather, shopping and entertainment was the best in Munich."

As the trip slowly came to an end, many became ready to return home. As *Sydney Graham* said, "I miss Mexican food and the beach."

Acheiving Excellence

Many Mira Costa students find it difficult to keep a float, not to mention getting good enough grades to be in CSF.

The California Scholarship Federation requires a total of 10 points when grades are added together. With this system each student needs at least three "A's" and one "B". If a student has met the requirements for four of his last six semesters, he receives the honor of being a Sealbearer.

This year the sponsors for CSF were *Mr. Muehl, Mrs. Nelson, Mr. Hartzel, and Miss Risse.*

CSF provides an incentive for students to do well in their classes. Many colleges reward students who acheive such excellence.

Achieving Perfection

Many of Mira Costa's students do something beyond their regular classes. These students are mostly in college bound classes and many of the other clubs on campus.

Physiology Club is one of the most prominent clubs on campus. The members of this club are interested in careers in the field of science. There are multiple trips to UCLA Medical Center, where students go through the hospital and listen to lectures on different types of medical fields. *Mrs. Estill* is the sponsor of the club once again this year. The club's Co-Presidents are *Tecia Barton* and *Joe Zinc*.

The Math Team is another club that is interested in academics. Although most Mira Costa students don't like to take tests,

these few must. The Mathletes take a series of tests throughout the year. Some of these are taken at school and mailed to a test center, while others are taken at other schools. Both *Mr. Temmins* and *Mr. Sillvius* oversee the Math Team. This year the captain is *Mark Hilton*.

French Club is also an academic club here at Mira Costa. The requirement for this club is to be taking a French class. The participants of this club do many different activities, all in French! They have had parties where all people going bring a French dish. The French Club also went to many French Movies and plays. This helped all of them with their studies. *Mrs. Cameron* was the sponsor of the club and *Ted Alexandre* the president.

Fun Clubs

There are several extra-curricular "fun clubs" at Mira Costa. These clubs include Squid club, guitar club, cycling club, and New Life Club.

The Society for Quality Understanding of Imaginary Dimensions (S.Q.U.I.D. Club) is led in part by Dr. Green along with four "elders." The elders are *Scott Kruer*, *Marc Levy*, *Scott Ludwig*, and *Doug McCarthy*. Squid club is a science fiction fantasy club, and meetings are held every Tuesday at lunch. The club's main purpose is to partake in role playing and Logan games.

The guitar club this year was centered around developing and improving the members' already excellent musical skills. Mr. Miller, the club's sponsor, led this group of highly talented individuals to a wonderfully prosperous, and all out groovin' year.

The New Life Club is made up of twenty-five members this year. Their sponsor was Miss Reimer. As president, *Ellen Bauer* and other members discussed current world problems from the Bible's prospective. The cycling club was headed by president *Tamara Browne*.

Costa Clubs

This year's Spirit Club with President *John Bragg*, worked hard in promoting our school spirit. *John Bragg*, who also held the A.S.B. office of Commissioner of Campus Morale spent many hours organizing to sell items such as terrible towels, Pom Poms and balloons at many of our games.

Thespian's, the drama club at Mira Costa, was more active than many past years. They held many candy sales and participated in the Penguins' People night raising money for scholarships. During December the club held a noon time theater which took place in the drama room. With Presi-

dent, *Jill Kondurous*, Vice President, *John Bragg*, Secretary, *Shana Thomas*, Treasurer, *Shelley Peoples* and Historian, *Lara Uskovich*, this year's club was one of the best.

One of Mira Costa's most creative groups is the Water Ballet Troup. This group spent numerous hours of rehearsal for their annual show in January. With the excellent sponsorship and coaching of *Mrs. Lynn Stone* their performance was a success. *Christy Rahn* and *Shana Sinay*, the clubs co-presidents spent many hours working with the class to make this year's show the envy of all past years.

A New Look

This year's La Vista has changed a lot since the paper first started. Under the supervision of Mrs. Ann Pomeroy, La Vista has expanded from four to eight pages and is now distributed every two weeks.

The paper is divided into three sections: features, editorials, and sports. Following the guidance of Editor-in-Chief *Bill Winn*,

there are one to three page editors per section. *Justine McAlpine* is the feature editor, *Tim McDermot* and *Brad Campbell* are the sports editors. *Matt Kelly*, *Karin Munzer*, and *Julie Lemon* are in charge of editorials. Says *Justine McAlpine*, "Being a page editor takes a lot of work, and people don't realize the time and effort that they put in after class every day."

Representatives Make Good

Since last year's beginning of the Class Representative committees there has been a marvelous response for students to join.

The class reps are any member of their class who join. They partake in bakesales, car washes, candy drives, and working in their class booths at the Hometown Fair.

Junior class Representatives help out by working on Prom

organization. Some of these reps are chosen to be on Prom Committee. *Kendis Moffett* said, "I can't wait see how the Prom turns out after all of our planning. It should be great."

In all the class Representatives have been a great addition to Mira Costa government and fun. Let's hope class reps will be around forever, to make life for class officers a little easier.

Take The Lead!

For many years the Drill Team has entertained the halftime crowd with great skill. This year was no exception. Many spectators commented on their dazzling performances.

This year the team was under the apt supervision of *Ms. Cathy Galvin*. The two Co-Captains were *Carol Sherbrook* and *Marlene Lozano*.

Althroughout the 1985-86 Drill Team was small, but they were

very successful in the activities they participated in. The team attended USA camp in Santa Barbara in the summer where they earned many prizes for spirit. The Drill Team was always at both home and away games to give their spirit to the Mustangs.

Hopefully, the Drill Team will show their spirit and skill for many years to come.

Dancing Towards Perfection

In September, Mira Costa's Dance Club students were introduced to their new instructor, *Mrs. Aleta Pottenger*. Their new teacher brought energy and charisma to this years troop. The class participated in many activities which included candy, bake and calendar sales. they also were invovled with the community night at the local Penguins Frozen Yorgurt shop. These proceeds went toward the annual Spring Concert. This years concert took place in late April. With *Mrs. Pottenger* and Artistic Director, *Min Kim* this year's concert

was the finest in years.

As a club the students were involved in numerous activities. They held a progressive dinner as well as many gift exchanges. These brought the students closer to each other, which made working as a class a success. With executive board *Alene Janowicz*, *Min Kim*, *Leah Cordiano* and *Rachel Stevenson* this years club was most productive.

Mrs. Pottenger and dance students are overjoyed after finishing their routine.

Min Kim's many years of dance lesson brought her excellent form and style.

'S' Club Serves You

There are many people in the South Bay area who are in need of some kind of help. The Mira Costa "S" club is an organization that strives to help these needy people by giving its time and effort in order to lessen some of their unfortunate problems.

The club was involved with various school functions, such as Baccalaureate, and Teacher luncheons. The members worked at registration and delivered *La Vistas* in the summer to community homes.

As for community service, the girls and Mrs. Tafoya, their sponsor, visited Huntington and Bayshores convalescent homes and worked for childrens' carnivals for Manhattan

Beach Recreation Department.

This year's Hometown Fair fund raiser was organized by senior representatives *Michelle Levielle* and *Cindy Greenberg*. They sold fruit drinks and had a button and balloon booth. During school, the club organized Santa Grams and Flower Grams.

Another project President *Bobbie Fujihara* was involved with, was supporting a child in the Philippines and a family at Christmas. *Bobbie* said, "Helping people gives me a good feeling, and I know that we are doing something useful for the community."

A Key To Success

There are many service clubs at Mira Costa, but one stands out from all others. Key Club is a group of select males who devote their time and effort toward community and school services. This year's Key Club has certainly upheld their tradition of good service. They were sponsored by Kiwanis Club, and held their meetings every Thursday night. President *Carlos Villalobos* said, "Key Club is great, because it gives guys with similar dreams a chance to work toward

them and have fun." A profitable fund raiser for the club was a gold-fish booth that they shared with Girls League members at the Hometown Fair. The club had many projects serving our community. They were involved in working with the Ridgestone Center and with March of Dimes. They also worked as a volunteer group with Manhattan Beach City Hall participants.

Willing, Able And Working

What exactly is Interact club? It is an organization to provide service to anyone or group. This group doesn't limit itself. They participate in many community, school and volunteer programs. These range from beach cleaning to decorating the gym for Friday dances. As *Dani Byrd* quoted "I enjoy Interact because we are willing to help anyone who wants us to."

With sponsor Mr. *Randy Brisse* and executive board *Meaghan*

Mansfield, Liz Wos and *Nancy Rossenburger* the group accomplished more than they had even hoped to. With their large profit from the pizza sale at the fair they were able to donate money to the local 1736 house and the new Mira Costa marquis. They also volunteered many hours at Richstone helping the young abused children. With all the energy with in this group they succeeded in every job they took on.

Sharon McKelvey smiles while thinking of the profit Interact was making at this year's fair.

Working For The Best

As September approached Girls League members began to work on December's Happiness Ball. They were disappointed because of not being able to rent a dance hall due to high costs. Girls League then formed the gymnasium into something it has never been. The members worked very hard to form the gym into an elegant dance hall. As a result of their time and effort the Happiness Ball was a tremendous success.

With their sponsor Ms. *Denise Parker* and executive board members *Kristin Heob*, *Kim Day*, *Alene Janowicz*, *Tecia Barton*, and *Min Kim*. Girls League accomplished many projects. These include organizing the collectors for the classrooms and decorating the attendance hall during Operation Happiness. Girls League also participated in the community night at the local Penguins frozen yogurt shop.

Making It Happen

A great asset to our school is the Student Council or known to others as the ASB. Without this group of hard working and devoted students, we would not have all of the activities and leadership that we have in our school government. The Student Council works for the entire student body. They provide activities, and have many fund raisers to aide the school. ASB sponsors many events, such as after game dances, assemblies, homecoming, communications week,

and many other things.

This year the Student Council was led by *Brad Campbell*, ASB President, and by *Ms. Parker*, and *Doug Newfeld*. They all did an excellent job making this year entertaining and fun for everyone. As *Brad Campbell* summed it up, "It's a tough job, and I'm the right man to do it!"

Tecia Barton and Brad Campbell display what travelling in style really is.

John Dougher, Richard Sundeen, and two friends enjoy a sunny day at camp.

Frank Stepczyk proves that all council members don't have to be Hermen.

New Ideas

"A New Generation" that was the theme chosen for this year's Hoofprints. Editor *Berry Foster* with assistant *Mary Marckwardt* worked together in planning this year's annual. In preparing for this task Editor *Berry Foster* attended a week long camp this summer. At camp he learned how to use the new Apple computer. This computer enables the staff to save time and effort. With this new convenience the staff is now able to spend more time on the actual creating of the layout rather than the typing and printing of it.

Another new addition to the staff is the size. Compared to the last year's 20 member, this year has 26 staffers. Of these, 4 are photographers. The head photographer *Meaghan Mansfield* is in charge of all pictures that are used in Hoofprints. There are also 5 section editors who are responsible for their layouts before they reach the editor. With all these new ideas in the Hoofprints staff "A New Generation" turned into a great success.

Lisa Potter is overjoyed at the result of her pictures.

Yearbook staffers: back row-left to right; Editor-*Berry Foster*, *Kelly Fjack*, *Lance Honea*, *Drew Cukor*, *Gerry Zwierlein*, *Heather Marshall*, *Jodi Sturges*, *Lisa Stone*, *Wendy Hagino*, *Lisa Potter*. Middle row: *Sandra Smith*, *Wendy Hillger*, *Trina Kuerk*, *Alene Janowicz*, *Mary Marckwardt*, *Meaghan Mansfield*, *Will Rae*. Front row: *Denise Okimoto*, *Tecia Barton*, *Joel Messenger*, *Stacy Ludwig*, *Susi Sedano*, *Karin Anderson*. Mike Hargett. Missing: *John Bragg*

Karin Anderson, Stacy Ludwig, Susi Sedano, and Heather Marshall are hard at work trying to meet their deadlines.

Business Manager Gerry Zwierlein can definitely find time in his busy schedule to work on this year's ever-important football layout.

Staff photographer Will Rae is constantly occupied developing film and making prints.

A New Kind Of Spirit

This year the Pep Club is a little different. There is just one Varsity squad and no JV squad. In spite of this the squad has just as much spirit. This year there were no returning members, but that did not stop the girls from being full of spirit.

The cheerleaders did some new things during the year. They performed at one of the many halftime shows with the band. At this game they gave a great performance. The team also did a parade. They marched along with the Band arousing spirit in the crowd.

The team was under the leadership of Captain *Pam Graham*

and Co-Captain *Sherry Padilla*.

This year the squad went to camp in Santa Barbara. They won many awards for spirit. Along with utilizing fourth period there were also after school practices.

Again the school had the silly antics of Melvin the Mustang. *Michelle Leveille* did a great job!

The 1985-86 Cheerleading Squad has brought a lot of spirit to Mira Costa.

Bottom left to right: *Heather Tuohy, Jennifer Thomas*; middle left to right: *Sara Christianson, Pam Graham, Lori Porter*; going up left to right: *Jeanette Erspamer, Heather Marshall, Beth Bragonier, Sherry Padilla, Shannon Bustos, Shanda Hanson and Jennifer Flores*.

Keep On Marching!

BANG!! Second quarter of the football game has ended and halftime starts. The crowd anticipates the precise music and formations they are about to see.

A new generation has reached to the 1985-86 Marching Band. This year the Band is under the new direction of *Mr. David Hayami*. The new director has gotten the Band back into full working order. He has made many improvements, which include buying new uniforms for the Band members.

As well as coming to school at 7:00 a.m. the Band had Thurs-

day night practices before a home game. Along with Band, both Tall Flags and Drill Team attended these practices. The practices made every Friday night performance unique.

Leading the Band during games and parades is Drum Major *Mark Nylund*.

This year the Band has performed in many parades. Its members have received numerous high honors.

Sophomore *Vicki White* is our majorette this year.

Band Council this year is, from left to right on the top: Asst. Drum Major *David Hessel*; Drum Major and Pres. *Mark Nylund*; Treasurer *John Robertson*; bottom left to right; secretary *Matt D'Onofrio*; Vice Pres. *Wendy Harmon*; and Librarian *Steve Barlock*.

Mortegson, J. Robertson, D. Patrick, K. Tautenhahn, C. Moeschler, J. Auld, T. Wells, M. McCracken, M. D'Onofrio, D. Hessel, D. Cukor.

Band members practicing in the morning.

What Time Is It?!

It's time for the 1985-86 Tall Flag team.

If you hadn't noticed, the team is a little different this year. For one thing the team has doubled in size. You have probably seen them around campus on Fridays. With so many members they are seen everywhere! Another new thing about the Tall Flags is their new sequin uniforms. During the football game halftime shows they have sparkled their way through the show.

This year the team is led by Captain *Barbara Lopez*. Helping her are her Co-Asst. Captains, *Wendy Harmon* and *D'Arcy Devincenzi*.

As well as performing the halftimes the Tall Flags also competed in parades and competitions. They got many high awards for their talent.

Bottom to top left to right: *B. Lopez, D. Devincenzi, T. Schauer, R. Mularz, P. Worchester, W. Harmon, T. Clark, K. Leech, S. Fujitake, S. Frankel, S. Baily, L. Goodman, C. Noke, C. Parkhurst, R. Lloyd, K. Lorenz, D. Simmons, L. Guhl, S. Deaton, J. Hobson, C. Stark, S. Green, T. Kurek, V. Fromm, K. Freisheim, J. Samitz, M. Bradshaw.*

Giving Blood Is For All Seasons

On December 2, Several Mira Costa Students Donated more than 109 pints of blood to the Red Cross. This year because of several health oriented problems, such as; AIDS (Acquired Immune Deficiency Syndrome), Mononucleosis, and active tuberculosis, the National blood banks of the United States were in need of emergency volunteer blood donors.

In the past years, Mira Costa Students have given blood in the spring, but because of the desperate need of blood,

Mira Costa students were exceptionally willing to give their blood months earlier than intended.

Under the organization of the Red Cross, and several students, the winter blood drive was a great success. Although Mira Costa did not break the school record, the 109 plus pints broke the record of Redondo Union, our rival school. Because the Spring blood drive is still scheduled, the blood raised then, with the blood raised already should break our school record.

Kathy Wible demonstrates bravery while needles stuck in her arms take her blood.

It Takes All Types -

Nancy Rosenberg instructs fellow students how to prepare blood serum plates.

Cindy Greenberg and another student file the volunteers' medical history reports.

Get on the ball.

Step Into The Land of Comfort.

Walk, hike, work in the comfort of Birkenstock Natural Footprint Sandals. It's like walking barefoot on the sand. Soothing, cushioned comfort is yours—thanks to the remarkable footbed of cork and rubber that shapes and molds to **your** feet, after just a few wearings. If you walk a lot, hike a lot or work a lot (standing up), it's time you stepped into our shoes.

REDUCE YOUR STUDENT BODIES.

Whether you have a small, medium
or large student body, take it to
Penguin's Place for a small, me-
dium or large frozen yogurt.

Penguin's is less than 1/2
the calories of ice cream,
with the same great taste
and rich delicious flavors.
From Dutch Chocolate to
Banana. And you can top
it off with anything. From
berries to Butterfinger bars.

So treat your student body
to Penguin's soon. No matter
what size it is.

KEVRINE * MEDI * SARA

I can't recall a time
When I could have said
That I could live
Without you.
I just hope I never have to.

Kev:
Thanks for being my read-
er, my critic, my fans, and
my friend. I'll always be
yours. SEE YOU AT THE
TOP!

I love you, Medi.

Keeb, Meat, Sera . . . DDELPPSS; Perhaps someday this list will end, till then I tally my gentleman friends. Do you always sleep on your face? Flip a t—. Do you wanna shine? C'mon, we'll get Dominos! Okay. "Don't do anything I wouldn't do!" I'm SO in love! SKI CANYON LAKE. "I WHAT?" . . . Nu-uh! . . . "Yes you did" . . . "Oh . . . oops!" Mr. Dabe. Only fifteen. "Umm, she's kinda busy right now." But Kev, you CAN'T park there! (wanna bet) You always laugh at me! No, if he wants to talk to me, he can come over here. 4th St., our beach. El Som #2, JALAMA 84&85. "When I'm 64" "It's OK-the wind's blowing-they can't hear me." Betsy-Keeb's car! "Starry Starry Night" write me a poem! No, we can't use that; it's going on our page . . . Now SARA and MEDI — looks like it's just you and me, kid!

I'm going to miss you so
much! All those laughs,
cries, and private little
convo's. I'll never forget
those! Well, here's looking
at you kid. Break a leg. I
love you — Sara.

Kev, The times we've shared now seem so short. What were recent "fun times" are now going to be only deep treasured memories I will never forget. I love you - and no matter what the future brings, I will never forget you. Love always, Jen

Jen, "Take hold of your dreams. Grasp them tightly and don't let go — no matter how hard the wind blows" — MediVolpe. I'll never forget all of our good times, our eating escapades, or our friendship as a whole. Most important, I will never forget you, and the wonderful person you are. I Love You, Kev

GUMBY; CATS together: CALARTS; "Let's go work out ... NO wait - are you hungry? - Let's go eat!" This will look great on my thigh." "Wait shaddap, so I can see!" On October 4, 1985, Mira Costa High School tragically lost one of its finer students. Todd Beattie Keeland will be remembered by his acquaintances and others as a fine student, athlete, and friend. He was a role model for us all. He was the kind of person who comes along once in a great while, and he will be surely missed.

KARIN AND JULIE 17 YEARS OF FRIENDSHIP

The long and winding road that leads to your door will never disappear I've seen that road before it always leads me here leads me to your door

Isn't it sometimes strange
How friends can turn into lovers,
And overnight you find you've changed
from one into the other.

There are lovers.
There are friends.
And it's hard to tell where one
begins and the other ends.
But there are those-the
one's like you
Who have somehow found a
way to be the two.

Through the years you'll find
that lovers will come and go.
But a friend will always
stay with you.
This I came to know.

A lover can be your own,
And be your one and only.
But a friend will always
stay with you
When a lover leaves you
lonely.

It's hard to live your life
Without one or the other.
To find someone who'll
be your friend and
still become a lover.
But now I'll never have to
make a choice between
the two,
When all my life I've found
a friend, and lover
both in you.
